Software Engineer / Developer

# What is your profession?

Platform Engineer / Ops person

# Who uses Kubernetes for local development?

k3d Minkube Microk8s k3s KIND

**Kelsey Hightower** ✓

@kelseyhightower

Kubernetes is a platform for building platforms. It's a better place to start; not the endgame.

# Start a local k8s cluster with one command

# Next, start the platform

NGINX...

**So, let's write a *little* script...**
